Honorable Walter D. Huddleston, Chairman
Subcommittee on Charters and Guidelines
Select Committee on Intelligence
United States Senate
Washington, D.C. 20510

Dear Mr. Chairman:

In response to your request of 19 September (R#9846), I enclose a breakdown into specific categories of the number of Agency employees who resigned or retired in lieu of possible termination under the provisions of section 102(c) of the National Security Act of 1947.

Please note that these figures do not cover the full fifteen years in which you expressed interest. We have discussed the extensive research required to develop these statistics with Mr. Elliot Maxwell of your staff. Mr. Maxwell stated he believed the provision of figures for 1962 and for the period 1968 to 1977 would satisfy the needs of your Subcommittee.

25X1

Please let me know if I can be of further assistance to you in this matter.

Yours sincerely,

/s/ Stansfield Turner

Attached for your signature is a letter to Senator Huddleston forwarding statistics on the number of Agency employees who retired or resigned in lieu of being terminated under the DCI's special authority. We have already sent one letter to Senator Huddleston on the subject, however, he asked for a further breakdown. We have been working regularly with Elliot Maxwell, the Senator's staff member on the Select Committee, to refine his request to manageable proportions. Maxwell is aware of the research required to develop these statistics and the time required to respond presents no problem to the Committee.

This has been coordinated with DDA and OGC.
